Mixer: Philippians 4:8 tells to dwell on those things that are pure and holy and worthy of praise. Ie focus on the things (in nature, in song, in the bible, in life) that captivate your imagination and turn your heart God ward. What does that for you?

1. Say you have a friend struggling with porn. How would you apply Matthew 18:8-9?
2. Why don't people always believe the 'good news' ie salvation is a free gift?
3. In what way was Jesus like a 'tender plant' that springs up in a 'dry' ground?
4. Was Jesus really ugly? Isaiah 53:2b
5. At the end of His ministry the multitudes turned against Jesus, didn't understand him and abandoned Him (painful experiences). Why?
6. As a parent have you ever punished the wrong child (the innocent one). What must it have been like for the Father to heap ALL the sins of the world on His perfect, sinless Son and then punish Him for it?

7. How does the story of salvation (what Jesus went through for us) keep us from sinning and being foolish in this life?
8. Make a list of unsaved family and friends and pray collectively they will get a revelation of what Jesus has done for them.
