

Sunday 2nd August

10am: Introduction to Mission Month—Ronnie

Mission Without Borders - Andie Davies

We are passionate about reaching people for Christ. Thanks to our partnership with Ranui Baptist, we are seeing great change in Nou, Romania. 15 years ago only 1% of teenagers went to high school, now that figure is 20%!

This is a rare change in rural Romania and these teenagers you have supported are setting a new standard of possible dreams. The local church, Grace Baptist, continues in its faithful witness. Many children and teenagers attend the outreach programmes on a weekly basis. We are starting to see positive changes in behaviour and attitude.

Please continue to pray for the four students you have supported this year; Darius, Anamaria, Elena and Alexandru. They need encouragement to continue their studies, employment offers in the future and to deepen their relationship with Christ.

10am: Baptist Home Mission - Pastor Lloyd

Just who are the Baptists and what does it mean to belong to this family of churches? What do we do together and what

resources and services are provided for us? You might be surprised to learn a bit more from this very short presentation by Pastor Lloyd. Using the www Baptist page we will spend a few minutes 'surfing' its contents. Each year our church gives money towards belonging to this denominational family. Its money well invested.

Ranui Church gives approximately \$7,000 per year to National office of Baptist Union and \$3,000 to the Auckland Baptist Association.

Sunday 16th August

10am: Peeters Family Mission

Ross & Frances Peters and their eight children Joshua, Faith, Matthew, Renee, Timothy, Daniel, Stephanie and Kristen are a great mission orientated family. Most of the family operate very quietly but wholeheartedly

working for the Lord. As a family, every Christmas, they are off on beach missions in different places and I have seen members of the family in outreaches here and there. We know that last year Joshua had an overseas experience and we see Faith playing her violin with our music team . What else will we find out about them? We are looking forward to them speaking to us during our missions month.

Missions Month August 2020

From Ronnie

It's Missions month again, which means it's also Self Denial month and time to support our young people in Nou.

For the past few years, we have been supporting some young people from Nou which is a small village in Romania. Our support helps give these young people the opportunity to study.

Our focus during Mission month is to deny ourselves something like coffee or chocolate (at least some) and save the money to support the youth in Nou.

Another way to support this mission is to purchase Derek's delicious Jams, and Pickles. He donates all proceeds to Nou.

Please collect the money in the containers supplied that are available at the back of the church. Bring the money you saved to church with you on the last Sunday in August.

May God bless us richly as we do this.
