

Missions Month 2022

Ranui Baptist Church
Where people matter

4th September - Richard Brunton

Richard Brunton was a pioneer of the market research industry in NZ, he co-founded Colmar Brunton in 1981. He became a Christian 3 years later. In 2014, he retired as Chief Executive and devoted himself to the healing and deliverance ministries through Charisma Christian Ministries. In 2015, God gave him a revelation about the power of blessing, and especially the power of a father's blessing. This led to him writing a short, practical booklet called the Awesome Power of Blessing, published in 2016. The book became a best seller in NZ with over 100,000 copies sold. Over this period, he wrote another book called Anointed for Work. He has spoken at Promise Keepers NZ, and many churches here in NZ and around the World. Millions of people have discovered their authority in Christ Jesus, and the power of their words, to speak and release blessing over themselves and others. Richard attends Faith Pointe church in Auckland. He has been married to Nicole for 15 years, has learnt to speak French, and spends time between New Zealand and New Caledonia.

11th September - Neil Mossop

Neil is the Director of Mission Outreach NZ and has been involved with MO for over 34 years. He is married to Wendy and has 4 married children and 11 grandchildren who love the Lord. MO was established in 1975 by Eddie Cairns. Eddie was involved in Project Pearl in 1981 where one million Bibles (232 tons) were delivered onto a beach in China at night. This was the largest single smuggling operation in Chinese history. This year we are promoting a new project called Pearl 22 where we are believing for another one million Bibles for many Nations. Over the last 47 years, MO has been involved in getting the word of God into access restricted Nations and are currently helping to supply Bibles into 13 Nations. MO takes teams from NZ and the USA mainly to Nepal but doors are opening to other nations. After 2 years of lockdowns, we are excited to be going to Nepal in October this year where we will continue the training of 600 pastors. During 2019, we trained 964 pastors who are now discipling over 14,000 believers. The vision is to have 5000 churches discipling 70,000 a year in Nepal. We have our own press, printing New Testaments and teaching materials and also have Bible schools training men and women in the Word and sewing training for the women. If you would like to know more about Mission Outreach, please contact Neil on 027 543 0971.

18th September - Ewan Cameron

Ewan has a wealth of church experience spanning over 30 years. He is also a qualified Executive Coach. Ewan has pastored here in New Zealand and in the UK. Ewan works for Open Doors and is passionate about sharing the inspirational message of the persecuted church.... a message he believes will radically change the 'faith landscape' of New Zealand churches and believers.

Did you know Open Doors has been partnering with people like you, to strengthen the persecuted church since 1955? Open Doors was founded by Brother Andrew when he began smuggling Bibles into Eastern Europe. Since then, Open Doors has expanded to work in over 70 countries, providing discipleship, bible distribution, emergency relief, and community development to Christians in the most dangerous places to follow Jesus. Our mission is not to stop persecution. Persecution has always existed and it always will... BUT we can help and support Christians who choose to follow Jesus no matter the cost!

25th September - Jack Wu

Jack was born in China. He came to NZ in 2002 as an international student at Massey University in Palmerston North. After working in different industries for more than a decade, he joined Mission Without Borders as the Partnership & Development Manager in February 2022. As someone who grew up in atheistic and communist environment, he is now passionate about evangelism which is a true miracle from God.

A single, torn-out Bible page was all a pastor in the USSR had to preach from for seventeen years. Showing this to Mission Without Borders' founders, he challenged them to.... "put Bibles into Eastern Europeans' empty hands to reach our own people." And that's exactly what they did! Whilst the context where we work has changed significantly in the last 60 years, our Mission has stayed the same - reaching people for Christ.

Self Denial Month Focus

This year our money raised will be going to MWB Ukraine fund. Our focus in Mission's Month is to deny ourselves something (like coffee or chocolate) and save the money to support MWB. Please collect the money in the containers supplied at the back of the Auditorium. Bring the money you saved to Church with you on the last Sunday in September May God bless us richly as we do this.
