# Neil Mossop

## ➔ Missions Month 2022 Ranui Baptist Church Where people matter

My name is Neil Mossop and I am the Director of Mission Outreach NZ and have been involved with MO for over 34 years. I am married to Wendy and we have 4 married children and 11 grandchildren who love the Lord.

Mission Outreach was established in 1975 by Eddie Cairns who lived in the Tauranga area most of his life. He was involved in Project Pearl in 1981 where one million Bibles (232 tons) were delivered onto a beach in China at night. This was the largest single smuggling operation in Chinese history. This year we are promoting a new project called Pearl 22 where we are believing for another one million Bibles for many Nations.

Over the last 47 years, MO has been involved in getting the word of God into access restricted Nations and are currently helping to supply Bibles into 13 Nations. MO takes teams from NZ and the USA mainly to Nepal but doors are opening to other nations. After 2 years of lockdowns, we are excited to be going to Nepal in October this year where we will continue the training of 600 pastors. During 2019, we trained 964 pastors who are now discipling over 14,000 believers. The vision is to have 5000 churches discipling 70,000 a year in Nepal. We have our own press, printing New Testaments and teaching materials and also have Bible schools training men and women in the Word and sewing training for the women. If you would like to know more about MO, please call me on 027 543 0971.
