# Tai Taua

As we step into the New Year 2023, let it be a year of real change. Let us change our bad attitudes and habits by changing the way we think about ourselves and about life in general. Change begins in our mind and it is a personal choice that one makes.

If you think nothing good will happen in your life, you will reap exactly what you think. Likewise, if you think you are capable and will succeed in life, you will surely succeed by always trusting in Christ and in His word.

What we think in our mind affects our feelings, emotions, and reactions in life. Nothing is impossible if you make up your mind and move towards becoming a better version of yourself. Make a change and avoid taking the negatives from 22 to 23. Philippians 4;13 I can do all things through Christ who strengthens me.

Blessings and have a wonderful new year in Him!
