INTRODUCING JESUS CHRIST:

Hebrews 13:8 gives us wonderful assurance that Jesus Christ is the same yesterday, today, and forever. This statement helps us look backward and forward so that we can know He is reliable today and that the things He has said are reliable. Jesus wasn't some trendy preacher who rose in popularity and then faded into oblivion.

Jesus had always existed as God (John 1:1; 8:58), He came in the flesh as a man, in order to pay the human price owed to God for sin on behalf of all humanity (Philippians 2:5-8; 1 Corinthians 15:1-4), and He is in heaven working and interceding until He returns for His people to take them home (John 14:1-3; Romans 8:34).

One day He will return in glory for all to see (Colossians 3:4), He will rule as King, and He will dwell with humanity forever (Revelation 22). He has had a consistent plan from the start and has been faithfully executing that plan, always keeping His word, and always completely trustworthy. Jesus Christ is the same yesterday, today, and forever. Amen!
