## GETTING BACK ON SPIRITUAL TRACK #2 - SPIRITUAL BATTLE:

This morning, we are going to look at the spiritual battle that we all face. I want to say from the very beginning if you don't acknowledge this in your life; if you treat it in a very casual manner then you will become very disillusioned with your Christian life. This spiritual battle is real. First and second Kings reminds us of that part of that battle is against false Gods and idols. These books raise the deep concern about these issues.

Second Kings, chapter twenty-three shows us exactly how King Josiah reacted when he found out that his people were not worshipping God but idols and other gods. Josiah waged war, spiritual war against all idols and other gods that were prevalent in his Kingdom. Not one was spared. It shows us what is called for in this area, all-out war. Josiah went after this in three ways? He went after people, places, and things. All three are important.

This morning, I invite you to evaluate your life and ask yourself, is God really God? Do I have an idol or two that I've allowed to creep in, another god taking over my allegiance. Am I worshipping a false god anywhere in my life, bowing down to something else before I bow down to God? Think it through in terms of people, places and things.

If you'd like a copy of the sermon notes you can collect them from the foyer.
