This Week’s Sermon: **Heaven**

The capital city of the new heaven and the new earth is the new Jerusalem, John saw this city descending out of heaven from God and John continues with the description of the new Jerusalem. He is inside the city now and continues to describe for us what he sees and hears. This morning we will look at more observations that John makes about the new Jerusalem.

And he showed me a pure river of water of life, clear as crystal, proceeding from the throne of God and of the Lamb. In the middle of its street, and on either side of the river, was the tree of life, which bore twelve fruits, each tree yielding its fruit every month. The leaves of the tree were for the healing of the nations. And there shall be no more curse, but the throne of God and of the Lamb shall be in it, and His servants shall serve Him. They shall see His face, and His name shall be on their foreheads. There shall be no night there: They need no lamp nor light of the sun, for the Lord God gives them light. And they shall reign forever and ever. Revelation 22:1-5.
